

## Tuturis - Terms of Service

Effective Date: September 25, 2025

Last Updated: September 25, 2025

### 1. Acceptance of Terms

By accessing or using Tuturis ("the Service"), a cybersecurity tools platform, you agree to be bound by these Terms of Service ("Terms"). If you do not agree, you may not use the Service.

### 2. Description of Service

Tuturis is a web-based cybersecurity platform providing:

Email leak checker functionality (like Have I Been Pwned)

Cybersecurity tools and utilities

Educational resources about cybersecurity

The Service is provided "as-is" for educational and informational purposes.

### 3. User Responsibilities

#### 3.1 Acceptable Use

You agree to use the Service lawfully and in accordance with these Terms. You must not:

Use the Service for illegal purposes

Attempt unauthorized access to systems or networks

Interfere with or disrupt the Service or servers

Overwhelm the Service with automated requests

Violate applicable laws or regulations

#### 3.2 Email Leak Checker

When using the email leak checker:

Only check emails you own or have permission to check

Do not harass or harm others

Results are based on publicly available breach databases

### 4. Privacy and Data

#### 4.1 Data Collection

Emails submitted for checking are not stored permanently

Basic usage analytics may be collected to improve the Service

Personal information is not sold or shared with third parties

#### 4.2 Third-Party Services

The email checker uses external APIs (e.g., leakcheck.io). Queries are processed according to their privacy policies.

### 5. Intellectual Property

#### 5.1 MIT License

This project is under the MIT License:

Free to use, copy, modify, merge, publish, distribute, sublicense, or sell

The copyright and permission notice must be included in all copies

#### 5.2 Copyright

© 2025 Tutorials. Includes original content and open-source components.

### 6. Disclaimers and Limitations

#### 6.1 No Warranty

The Service is "AS IS" without warranties of any kind.

#### 6.2 Accuracy of Information

Breach data may be incomplete or outdated

Accuracy of third-party services is not guaranteed

Service is for informational purposes only

#### 6.3 Limitation of Liability

Tutorials is not liable for indirect, incidental, or consequential damages, including loss of profits or data.

### 7. Service Availability

#### 7.1 Uptime

Service availability is not guaranteed. Temporary downtime may occur due to:

Maintenance

Technical issues

Third-party dependencies

## 7.2 Modifications

Tuturis may modify, suspend, or discontinue the Service at any time without notice.

## 8. User Accounts

Currently, no registration is required. Future account systems may include additional terms.

## 9. Prohibited Activities

Users must not:

Reverse engineer the Service

Violate others' privacy

Distribute malware

Impersonate others

Use commercially without permission

## 10. Content and Conduct

### 10.1 User-Generated Content

Content must be:

Accurate and non-misleading

Respect third-party rights

Free of malicious code

### 10.2 Monitoring

Tuturis may monitor usage patterns to ensure compliance and improve the Service.

## 11. International Use

The Service is operated from France and intended globally. Users are responsible for local laws.

## 12. Termination

### 12.1 By User

You may stop using the Service at any time.

### 12.2 By Tuturis

Access may be terminated immediately for violations of these Terms.

### 13. Changes to Terms

Terms may be modified at any time. Continued use constitutes acceptance.

### 14. Open Source Compliance

All open-source licenses are respected. Source code: GitHub Repository

### 15. Third-Party Services

Integrates third-party APIs (e.g., leakcheck.io) and npm dependencies. Usage is subject to their terms.

### 16. Security

#### 16.1 Reporting Vulnerabilities

Report vulnerabilities responsibly via GitHub issues or direct contact.

#### 16.2 Security Measures

Reasonable security measures are implemented, but no system is completely secure.

### 17. Educational Purpose

The Service aims to:

Educate on cybersecurity awareness

Help users understand digital exposure

Promote good security practices

### 18. Contact Information

GitHub: <https://github.com/DorianFGR/Tuturis>

Issues: <https://github.com/DorianFGR/Tuturis/issues>

### 19. Governing Law

French law governs these Terms, without regard to conflict of law provisions.

### 20. Severability

If any provision is unenforceable, the remaining provisions remain in effect.

### 21. Entire Agreement

These Terms constitute the full agreement between you and Tuturis.
